

ADVANCED LE PISTOL INSTRUCTOR

Cost: \$1,500 | Length: 5 Days

Our 5 day Advanced Pistol Instructor Program is designed to help law enforcement or military firearms instructors develop and implement an effective pistol training program at their agency or unit. We will focus heavily on teaching and coaching proper fundamentals and bio-mechanics. We also will cover the development of lesson plans, policies, and qualification courses of fire.

COURSE TOPICS

Range management and safety for firearms instructors | Lesson plan and policy development | Time Management Model for police or military courses of fire | ODEC Diagnostic Model for firearms instructors (Observe, Detect, Explain, Correct) | Coaching and correcting marksmanship fundamentals | Micro Skill-Set Development Model for firearms instructors | Dry and live fire Micro Skills-Set applications | Performance-based live fire exercise development | Performance-based test (qualification course of fire) development

PREREQUISITES

This course is restricted to military and law enforcement firearms instructors. Law enforcement academy firearms program or equivalent formal training.

EQUIPMENT

Duty semi-automatic pistol with at least 4 magazines | Duty gear, including holster and mag pouches | PPE (eye and double ear protection; hat or helmet; body armor is optional but recommended) | Notepad & pen | Approximately 1,000 rounds of quality pistol training ammunition

HOSTING REQUIREMENTS

To run this course at host locations, we need:

- 1) a classroom with multimedia capability (or at least power);
- 2) a live-fire range.

If you or your agency is interested in hosting, please contact us for pricing and other details.
